Can't Speak Japanese? Need Help Going to the Doctors?

Contact Us!

Do your Japanese language skills stop you from going to see a doctor?

Don't worry!

Help is at hand!

We specialize in helping the foreign community see a doctor in English.

Spread the word.

Let your friends and colleagues know about us.

If you need our help or would like to join us, e-mail us at the address below.

We will get back to you as soon as possible.

All comments are welcome!

Confidentiality guaranteed.

E-mail : SEMI@sapporo.com

Contact Person : Megumi Terao

What we do :

- Interpret for the foreign community at the doctors or hospital.
- Organize in-house medical English seminars
- Interpret for the elderly or new mothers in their homes or at other (health-care) institutions
- Organize seminars for volunteer medical interpreters (Jointly hosted by Sapporo International Communication Plaza Foundation)
- Organize workshops for the improvement of interpreting skills
